

Lizard Fire Flood Risk Community Meeting

**Thursday, July 13 at 6:00PM
Sunsites Community Center**

There will be a community meeting held Thursday evening to discuss the increased risk of flooding caused by the Lizard Fire. Local residents are encouraged to attend this important meeting to learn how best to prepare for and respond to post-fire flooding. Local Fire, County Highway, Floodplain, and Public Safety representatives will be on-hand to discuss the potential for flooding as well as how residents can protect their families and property.
