We would like to Thank the Community of Sunsites and surrounding areas for supporting us with our Open House.

It was a great opportunity to learn of the services we have to offer, as well as programs that are offered throughout the County. Many received their Flu Shot and toured our Station and Emergency Vehicles. The American Red Cross gave a presentation that was well attended. We even had a small school group attend and learn about Fire Prevention. We believe everyone found our Open House informative, fun and filling.

Your support for the Sunsites-Pearce Fire District was felt in your attendance, and your generous donations. All the money raised will go towards purchasing Protective Equipment for the Firefighters and we have you to Thank!

We look forward to doing this again next year and with your continued support it should be another great success.

A HUGE Thank You to NCCH and LifeNet Arizona and to Valley Telecom Group for providing and preparing the wonderful lunch that was served to all in attendance.
