PHONE: (520) 826-3645 FAX: (520) 826-3586

Public Announcement

Sound the Alarm Smoke Detector Distribution Event

When: January 11, 2020 0900-1500

Where: In Sunsites, in the residential neighborhoods between Treasure Road and Geneva Street, and between Ford Street and Lansing Road.

What: The Sunsites-Pearce Fire District is collaborating with the American Red Cross Home Fire Campaign. As a local kick-off event for this campaign, we will be canvassing door-to-door to offer residents free assessments of their current smoke detectors and exit plans and, if necessary, to install up to three free smoke detectors.

Please contact the Fire District at 520-826-3645 to sign up for a visit to your residence. Also, even if you will not be at home during the event, or live outside of the event boundaries, please contact us anyway. We are planning to continue this program throughout the year.

Every day, seven people die in home fires, most in homes that do not have working smoke alarms. That is why the American Red Cross launched the Home Fire Campaign, and why the Sunsites-Pearce Fire District is urging your participation to help prevent needless tragedies. Working smoke alarms in a home cut the risk of death by half and having an escape plan further improves the odds of survival. For more information please visit the American Red Cross at www.soundthealarm.org or contact the Sunsites-Pearce Fire District at www.sunsitesfire.org or 520-826-3645.

Thank you for participating in this free program.

Sincerely,

Josh Steinberg, Fire Chief
