We would like to Thank the Community of Sunsites and surrounding areas for supporting us with our Open House.

It was a great opportunity to learn of the services we have to offer, as well as programs that are offered throughout the County. NCCH was on hand to check A1c Levels and you could also tour our Station and Emergency Vehicles.

The big draw this year was our first ever FIREMAN COOK OFF, which was hailed a huge success. We believe everyone found our Open House informative, fun and filling.

Your support for the Sunsites-Pearce Fire District was felt in your attendance, and your generous donations. The money raised will go towards the purchase of "Fire Danger" signs for the community and we have you to Thank!

We look forward to doing this again next year and with your continued support it should be another great success.

A HUGE Thank You to Damian Austin of Sunsites-Pearce Fire District, JR Schimdt of Miller Flats Fire, Tyler Allen of Allen's Well Service and LifeNet for preparing the wonderful Smoked Pork lunch that was served to all in attendance.
